Brand Guidelines

Version 2.0 | July 2024

USING THE KOKONUT BRAND

We’ve created this guide to help you use our logo. It shouldn’t take long to read (we kept it short). Definitely check it out before you get started.

Please note that this guide isn't exhaustive. Please reach out to hello@kokonut.network if what you are looking for isn't specifically covered here.

Logo

Our logo is our most recognizable asset. That’s why we love it, are protective of it and ask you to follow the rules when you use it.

Here’s how:

- Only show the logo in original color or only white. You can use black for certain exceptions (please reach out to us for approval).
- Don’t alter, rotate, or modify the logo.
- Don’t animate the logo.
- Don’t use outdated versions of the logo.

Versions

The **"kokonut network"** logo is designed to be used both **horizontally** and **vertically**.

Vertical logo

Horizontal logo

Logo family

The kokonut network logo family consist of 3 different groups of logos. Each group has a specific application in kokonut comunications.

Main logo is our official logo.

Our **project logo** used to differentiate each project.

Our **guild logo** used for our rewards program.

Main logo

Project logo

Guild logo

Logo on background

The **"kokonut network"** logo is shown using a band color combination on a different color background.

This will give you and idea of using the logo on a different color background.

Misuse

- Don’t alter, rotate, or modify the logo.
- Don’t surround the logo.
- Don’t accessorize the logo with extra elements like speech bubbles.
- Don’t anthropomorphize the logo.
- Don’t overemphasize the logo.
- Don’t use previous versions of the logo. Follow the clear space guidance.

These colors reflect our brand identity and personality.

Font

Primary Font:
Our primary font reflects the essence of our brand, combining modernity and legibility. Chosen for its distinctive style and versatility, this typeface is used in all our communication materials to ensure a cohesive and appealing visual identity.

Secondary Font:
Our secondary font complements the primary font, adding a touch of freshness and dynamism. Selected for its readability and versatility, it is used in secondary elements and complementary texts, creating a visual balance that enriches our communication and reinforces our brand identity.
